STATE QUESTION NO. 593

LEGISLATIVE REFERENDUM NO. 257

This measure would amend Section 10 of Article 6 of the State Constitution. This section deals with reprieves, commutations, pardons and paroles. It would take away the power of the Pardon and Parole Board and the Governor to grant paroles to convicts sentenced to death or to life in prison without parole. This means a person sentenced to life without parole or to death could not get out on parole. It would still give the Pardon and Parole Board the power to recommend parole for other convicts. The Governor could still grant pardons, commutations and reprieves in all cases. He could also grant parole to other convicts.
